SWEET PROTECTION KIDS DUAL SLALOM **Wednesday 17TH JULY 2024** **CARDRONA SKI RESORT**

EVENT DESCRIPTION

Slalom racing is exciting and fast but racing right beside your competition makes it even more fun. This year during the July school holidays our Cardrona Events team and HPC Coaches are setting up a dual (side by side) Slalom down our legendary gravity-cross course. The course will be groomed and will not include any features so this race is suitable for intermediate and above ski and snowboard abilities.

Racers get to slip inspect each course before completing a timed run through both the Red (Right) and Blue (left) course. Times from the 2 courses are combined to determine who makes it onto the podium.

DISCIPLINES AND DIVISIONS

For safety and speed control the course will resemble a kinder (Kids) combi Slalom which means the course will be a combination of GS Panel gates, slalom gates and even little stubbie gates. All racers must complete the course correctly to receive a time. Riders missing a gate will be disqualified. Competitive Age Division include: U8 | U10 | U12 | U14 and U16 (15 and under). Both Snowboarders and skiers can enter.

HOW TO ENTER

Competitors can pre-register online at www.cardrona.com/events (click on the Kids Dual Slalom link) or register on the day before 9:15am at the Slopeside guest services ticket office (Turn right after the Archway). Pre-registered competitors and on the day, entries must collect their competitor bibs at slopeside guest services before loading the chairlift or heading up to the course. The entry fee is \$35 and all competitors must have a current day pass to compete. A discounted competitor pass is available for \$60 (competitors only)
